

Job Start Date: 04/15/2018 Negotiable

Application Closing Date: 03/18/2018

Description: **Wolf Creek Golf Resort**
Second Assistant Superintendents/Irrigation Technicians/Interns

Wolf Creek Golf Resort is a 36 hole resort course consistently rated in the top 100 Canadian courses. New partnership and development mean exciting times with multiple projects and course upgrades. We are looking for individuals who can work with our management team and our designer, Rod Whitman, towards our mission statement. These are full time seasonal positions with opportunity for advancement and year round employment.

Ideal Candidates would possess many of the following qualifications (however we are willing to train suitable candidates):

- Graduated/enrolled in a Turf Management Program
- Golf course maintenance experience
- Irrigation repair/design/maintenance experience
- Excellent communication skills
- Self-motivated with a positive attitude
- Good record keeping/computer skills
- Valid Alberta driver's license
- Desire for a career in Turf Management
- Small crew supervision experience
- Landscape/course construction experience

Responsibilities:

- Assist Superintendent and Assistants in planning, overseeing, and completing daily course maintenance
- Maintain/trouble shoot/repair/monitor irrigation system
- Organize/supervise small to large project crews
- Assist in staff training/hiring/recruiting
- Assist in maintaining a safe, efficient, positive work environment

Start Date: April 15 Negotiable

Wage: Competitive commensurate with experience

Benefits: Free golf, Golf Shop and meal discounts

Please submit resumes with cover letter by March 18th, 2018 to:
