### **Power Cart Usage**

We will be issuing 2 Power carts **MAXIMUM** per three to four player group. The only exception to this is if we have a single joining an unknown group in which case that player will be permitted to ride on their own. Players will have the following options when it comes to using power carts.

- Both players can ride together. AHS recommends wearing a mask on the cart if not from same household.
- One player can be the designated driver and the other can walk with their bag on the cart

With the volume of play we expect this season, power carts are on a first-come-first-serve basis. We do not reserve carts for tee times.

**PLEASE DO NOT COME TO PLAY IF YOU ARE FEELING UNWELL.**
